and should contain:

- The name of the ISU Member of affiliated Club making the entry.
- Family name, given name, birth day, personal best time over 500m
- Place, date and time of arrival and departure.

N.b:

For safety and organizing matters, all participants must be international confirmed skaters.

The organizing Committee is entitled to reduce the number of entries for each country if there are too many participants.

Entrance fee:

40€ pro skater for the competition and the training on ice.
(Skaters can use the ice rink 8 hours per day)

Training sessions:

Only entered skaters will be allowed to skate during the training sessions. The organizing Committee is entitled to reserve more training sessions for the national teams.

Regulations:

The competitions will be held according to the ISU rules. During the training sessions and competition, the equipment of all skaters must be according to the ISU rules.

Classification:

The skater will be classified according to the number of points awarded in finals only. There will be a general individual classification over the three distances. In case of ties, the results of longer distance will decide between the skaters

Prizes:

- Prizes will be awarded to the first three skaters of general classification and the winning teams of the relay races.
- Special prizes will be awarded for track records.

Liability:

In accordance to the ISU rules, the organizers accept no liability for injury or damage sustained by competitor and/

or officials during the competition and for the training sessions.
